S.T.H. WORLD MAT NEWS

By
Paul Abbinante

Japan, in recent weeks had some title changes. Jumbo Tsuruta lost, and then regained the P.W.F. United National Title, from Dick Murdoch. Also in the Land of the Rising Sun, Stan Hansen defeated Antonio Inoki for the N.W.F H.C.. Hansen left Japan for the U.S.A. with the title. Hansen promised to return to Japan and give Inoki a shot at the title.

Recent action in Hawaii sees such wrestlers as their current state champ, Peter Maivia, along with Rocky Johnson, Ripper Collins, Tama Tonga, and a host of other mat men. The action in Hawaii is always fast moving.

The independent promotion out of Knoxville, Tennessee, called "All Star Wrestling", with such mat men as Ronnie Garvin, Boris Malenko, Bob Roop and Bob Orton, Jr., to only name a few. They have recently promoted cards in Orlando, Florida, and Puerto Rico, to oppose the N.W.A. promotion groups. This independent group continues its promotional war against the N.W.A. promotion groups.

In the N.W.A. Central States, Kansas City, Kansas circuit, recently seeing action is Pak Song, who is doing very well. Recently, Dick Murdoch and Central States H.C. Bob Brown, beat Ernie Ladd and Bruiser Brody for the Central States T.T.C.. Eddie Gilbert is still doing well in the Central States Circuit.

Speaking of Eddie Gilbert, his father Tommy Gilbert and he captured the N.W.A. United States T.T.C. from Seigfried Stanke and Steve Lawler in Tulsa, Oklahoma. Les Thornton won the N.W.A. World Jr. H.C. from Ron Starr, who won the title in a tournament that saw Tommy Gilbert do very well. Thornton now has a long list of contenders to face. They are such mat men as Tommy Gilbert, Ted Heath and U.S.-American and Missouri H.C., Kevin Von Erich. All want a shot at the N.W.A. World Jr. H.C., held by Les Thornton.

Recently, in Amarillo, Texas, Bruno Sammartino teamed with his son, David, with great success. David Sammartino is still doing well in recent singles matches. In that circuit, they have new Western States T.T.C.. They are Mitsu Ishikawa and Hugo Savinobich, who beat Gino Caruso and Gary Young, for the titles. Larry Lane is the current Western States H.C.. In the Houston, Texas N.W.A. Circuit, recently, Mr. Hito and Mr. Sakurada lost the U.S.-American T.T.C. to Jose Lothario and Tiger Conway, Jr.. Also in Houston, recently, Bruiser Brody beat Mark Lewin for the Brass Knucks Title.

In the W.W.F., Hulk Hogan is giving W.W.F. H.C., Bob Backlund, a rough time, but Backlund is still holding on tight to his belt. Backlund recently defended his title against Dick Murdoch, with great success in St. Louis, Missouri, on a great N.W.A. card. Bruno Sammartino and Larry Zbyszko are involved in their heated feud all over the W.W.F. Circuit.

In the A.W.A. Nick Bockwinkel still continues to hold his A.W.A. World H.C., despite the challenges of such contenders as Canadian H.C.

(continued)

Dino Bravo, The Crusher and Mad Dog Vachon. Also in the A.W.A., Alfred Hayes and Bobby Heenan are still feuding as are both of the Super Destroyers Marks 2 and 3, with each other. There have been single bouts and tag encounters with the four above mentioned men. Jerry Blackwell continues to whip his foes in the A.W.A.. Jesse Ventura and Adrian Adonis are still racking up many victories as a team, as well as individual wins in that circuit.

The N.W.A. promotion group in Mobile, Alabana, calling itself Southeastern Wrestling, sees such mat men as current Southeastem H.C. Jos LeDuc and the brother combination of Ron and Robert Fuller, who are the Southeastern T.T.C.. Tony Charles is recognized as the U.S. Jr. H.C.. In the other promotion, in Knoxville, Tennessee, called Southeastern Wrestling has such wrestlers in their circuit as Karl Kox, Steve Travis, Mike Stallings and The Matador.

In the Memphis, Tennessee Circuit, as of late, Paul Ellering is wrestling as a rulebreaker and A.W.A. Southern H.C., Jimmy Valiant, is now a fan favorite. Ellering is now managed by Jimmy Hart. Hart has dropped C.W.A. World H.C. Jerry Lawler from his stable because Lawler has been sidelined by a broken ankle, suffered while he was playing football. Rick and Robert Gibson are feuding with David Shultz and Dennis Condry. Also feuding are Sonny King and Sugar Bear Harris. The Assassins and Billy Robinson and Ken Lucas are also feuding with the A.W.A. Southern T.T.C., going back and forth, between both of these teams.

N.W.A. action, in Florida, recently, Jack Brisco and Jim Garvin beat Bryan St. John and Stanley Lane, for the Florida T.T.C.. Also, in the Sunshine State, Steve Keirn defeated Bugsy McGraw, for the Florida TV Title. A short time after that, Bugsy McGraw turned fan favorite, and is against Oliver Humperdink and his men, Nikolai Volkoff, LeRoy Brown and the Super Destroyer. "The Magnificent" Don Muraco, has entered the competition, in this circuit. Dick Slater also made some recent appearances in Florida. A new masked wrestler, calling himself Mr. Florida, has also been making himself well known throughout the Sunshine State.

Big news in N.W.A. wrestling action, in Georgia: On a recent TV taping in Atlanta, Tommy Rich upended Austin Idol for the Georgia TV Title. In the bout Rich was injured at the hands of Austin Idol and by interfering N.W.A. World H.C., Harley Race. Both Idol and Race injured Rich's leg. By the time you read this, Rich should be back in action, and wanting to settle a couple of scores with Idol and Race. Georgia H.C., Mr. Wrestling 2, also has some scores to settle with both Austin Idol and Harley Race. Wrestling 2 wants Race's N.W.A. World H.C.. Dory Funk, Jr. and Terry Funk are feuding with Dusty Rhodes and Wahoo McDaniel, in the Peach State. Also making himself known in Georgia, is Jay Strongbow, who is doing well in recent matches.

SPOTLIGHT: "WILDFIRE" TOMMY RICH

By
Kenneth Levitt

Many athletes who enter professional sports just come and go without much notice. For the athlete who makes it to the top, it takes a great deal of work and stamina. One such athlete who has taken the sport of wrestling by storm is "Wildfire" Tommy Rich.

In his short career, he has defeated som of the best competition wrestling has to offer. He has defeated such men as Ivan Koloff, Karl Kox, Bobby Heenan and Toru Tanaka. N.W.A. champion, Harley Race has had a hard time defeating this young star, and their few encounters were mostly ended in draws.

Tommy has held many titles, such as the Georgia State Championship, the Georgia Tag Titles and is currently the Georgia TV Champ. Recently a wrestling magazine came out with an award called the "Future Champion Trophy", and Tommy was its first recipient.

He has been nicknamed "Wildfire" because every time he steps into the ring, there is never a dull moment.

The way things look now, ther is a good chance that some time in the near future, Tommy will be coming home to his family and friends with the most prestigious honor pro wrestling has to offer; and that is the World Championship. Tommy Rich is a wrestler not to be taken lightly.
